

## **BOARDING ONLY INFO AND PAYMENT AGREEMENT**

Boarding is in a quiet and comfortable setting of a home environment. There are other dogs in the home – small dogs (from 5-20 pounds). Your dog will have ample time to rest and play in a fully fenced grass area (weather permitting). Food instructions and other supplemental directions will be provided by you.

**Cost for Boarding is \$60 per night.** IF the dog is boarded for more than 6 hours (after 1pm) on day of pick up (or drop off) that is considered a full day and an additional night charge of \$60 applies.

### **Example A:**

Pick up on Monday at 10am

Drop off on Wednesday at 11am

2 nights (Monday and Tuesday) at \$60 per night = \$120

### **Example B:**

Pick up on Monday at 10am

Drop off on Wednesday at 1:30pm

3 nights (Monday, Tuesday and Wednesday) at \$60 per night = \$180

### **There is a \$10 charge for pick up and a \$10 for drop off.**

Payment is due when dog is picked up – first day of Boarding. **CASH ONLY**

If pick up and/or drop off service is on a holiday, the holiday rate is \$20.

### **Weather Conditions**

Due to unforeseen weather conditions (wind, rain, sand, etc.) that may cause road closures a later or an earlier pick up / drop off date may be necessary.

### **Grooming**

Dogs must be groomed (especially poodles or doodles - cut short) prior to boarding to ensure that their fur does not get matted causing them to be uncomfortable.

If your dog will require grooming during their stay, please make arrangements. There is an extra cost for drop off and pick up at the groomer. I may not always be available.

Make sure that your dog's collar is properly fitted. The collar should NOT be able to come off simply by bringing it over the dog's neck. Please make sure that your dog's collar is SECURE. Current ID tags should also be on the collar with current phone number. Make sure your dog is microchipped. Another layer of safety is a GPS Collar. If you chose the FI dog collar (that's what I use with my dogs), use this code to get \$20 off at activation [https://shop.tryfi.com/r/52MH7F/?utm\\_source=referrals](https://shop.tryfi.com/r/52MH7F/?utm_source=referrals)

If you have a small dog, consider purchasing the FI puppy collar OR taking the GPS portion of the FI collar off and put it onto a small dog harness.

### **Behavior Issues**

*This service is not recommended for dogs that have aggression or separation anxiety issues. If you do not disclose aggressive, reactive behavior, or anxious behavior that results in any type of destruction or damage to property or injury to a person or dog, you will be responsible for the cost of housing your dog at an alternate location for safety concerns, as well as, the damage and/or repairs.*
