NACSW is requiring that all attendees adhere to social distancing - maintaining 6' of distance - at all trials until further notice even if your jurisdiction has relaxed their requirements or recommendations. Social Distancing requirements at an event are MANDATORY. There is *no option* to mutually consent to be closer together than 6'. Please be respectful that your proximity or request for proximity may make others uncomfortable. Please review the document [COVID-19 Event Guidelines](#) that is located in Google docs and was emailed to the membership on 5/8/2020.

In addition to those guidelines the following changes and guidelines are in effect for this trial due to COVID-19. Californians should remain local (not traveling more than 120 miles from their home or other place of residence) and avoid non-essential travel. Travelers from other states or countries entering into California for tourism and recreation are strongly discouraged. See CDPH's Travel Advisory for more details.

All attendees (participants/volunteers) will be required to bring and wear face masks when not in their vehicle. Participants are asked to remain in their vehicles as much as possible. Running of vehicles is NOT permitted. Participants are asked to bring their own hand sanitizer and disinfecting wipes.

Basic Description of the Test

To successfully pass an ORT a dog must identify the location of the target odor and the handler must correctly call an "alert" within a three-minute time period. The Odor Recognition Test consists of a drill type exercise which requires 12 closed boxes set up in a pattern of *one or two* rows, spaced a minimum of 48" apart. The ORT is conducted on leash. Complete information can be obtained on the NACSW website.

*All exhibitors should obtain and review a copy of the **NACSW K9 NOSE WORK® RULE BOOK**. You may get it from their website: www.NACSW.net*

No dog will be given more than one space in the same odor test at a single event.

Results

During the odor re-sets, the official results sheet will be brought out to the parking area for testers to photo or review. We recommend you verify your results on the official results sheet and let your host or judge know if you have any questions regarding your results.
